MEMORANDUM FOR: Chairman, Security Committee
FROM: Director of Central Intelligence
SUBJECT: Unauthorized Disclosures

1. Here is my very rough and hasty draft of a statement on what needs to be done to address the loss of control over unauthorized disclosures. I'd like you to improve it, elaborate on it, add your ideas, polish it as you see fit. You can draw on some of the data and the recommendations in the SECOM leak study.

2. I want to have three documents, perhaps four, ready for use during the fall months:

i. A statement of the problem to sensitize policymakers. Your latest draft will serve that purpose quite well.

ii. A sanitized version for use in public forum and in print.

iii. A comprehensive statement of steps to be taken to address the problem, of which the attached draft is a meager beginning.

William J. Casey
